Vendor Item #: 60004 **Raw Material:** _Organic Dried Apple Peel Powder_

We would like to use your material in our certified Non-GMO product program.
Please fill-out the following sections by checking the appropriate boxes.

1) This product may contain, consist of, or has been produced from a genetically modified source. Yes No

1.1) If No – This product is classified as:

- **Non-GMO** – This product does not contain, consist of, nor has been produced from a genetically modified source.
- **Non-GMO (IP)** - This product does contain, consist of, or has been produced from a potentially genetically modified source. However, these ingredients are sourced from an 'Identity Preserved' program and can be certified as Non-GMO.
- **Non-GMO (PCR Negative)** - Uncertified but tested GMO Free. This product does contain, consist of, or has been produced from a potentially genetically modified source. However, it does not contain proteins from genetically modified organisms, nor genetically modified DNA.

2) HIGH RISK CROPS

The following crops carry risk of being genetically engineered, because engineered varieties of these crops are grown large-scale in North America and certain other parts of the world.

Please indicate percentage of ingredient in terms of the following ranges:

- **Micro** (less than 0.5%)
- **Minor** (between 0.5% and 5%)
- **Major** (greater than 5%)
